Understanding Your Learners through contextual details

(ELLs & ELD levels, IEP/IDP, 504, GATE, Gender, Ethnicity)

The school is located in a suburban area. Our classroom is a diverse group of learners, with 24 students: 8 African Americans, 3 Asian Americans, 5 Hispanic Americans, and 6 White students. About one third of the students in the class are on free and reduced lunch. One of these students is an English Language learner, and another has dyslexia. Because this novel is written from the perspective of a White author during the 1950s, it may be relevant to discuss the implications of this, and the lack of representations from other races. There is also a wealth of assets in a classroom so diverse, particularly in discussions about diversity, and these assets should be deliberately accessed during lessons. Also, since there is such a range of socio-economic statuses, it is also to remember that all students may not have access to a computer and technology at home to complete writing assignments.

IEP Goals Directions: List students' goals as they apply to this lesson.

 Large Group/Whole Class Instruction – Select 2-4 students for instructional focus.

 Small Group / Individualized Instruction (< 5 students)

Student(s)	IEP Goal/Objective (standards based)
Lizzy Taylor	Learning Disability. Class participation and retention/comprehension of major themes and topics. Goal: Increase participation via higher self-esteem and provided reading support. Help in retention of concepts.
