College Sports Inc. Frank P. Jozsa Jr., 2012-10-24 For several decades in America athletic programs in colleges and universities received financial support and resources primarily from their respective schools and such sources as alumni and the National Collegiate Athletic Association NCAA More recently however college coaches assigned to athletic departments and the presidents and marketing or public relations officials of schools organize initiate and participate in fund raising campaigns and thus obtain a portion of revenue for their sports programs from local regional and national businesses and from other private donors groups and organizations Because of this inflow of assets and financial capital intercollegiate athletic budgets and types of sports expanded and in turn these programs became increasingly important popular and reputable as revenue and cost centers within American schools of higher education
