Written by expert chemistry educators, Must Know High School Chemistry Second Edition provides updated lesson content and useful examples to help clarify each topic. Every chapter closes with reinforcing exercises to get you the practice you need to gain confidence. New features to this edition focus on extra support and helping you avoid common mistakes. In the end, you get everything you need to build your chemistry skills quickly and painlessly.

Features: More than 350 practice questions that parallel what you will find in your classwork and on exams. Bonus app that includes 100 flashcards to reinforce concepts. Extra Help and Easy Mistake features put the emphasis on how to improve and what pitfalls to avoid. Chemistry topics aligned to national and state educational standards. Practical examples throughout and an answer key with explanations make sure you understand the topics. Conversational writing style and informative IRL (In Real Life) and BTW (By the Way) sidebars. A special section for teachers with tips and strategies on teaching the material and content-specific links and resources.
