Zeydel, 1918

Twentieth-century German Dramatists, 1919-1992 Wolfgang Elfe, James N. Hardin, 1992 Contains alphabetically arranged entries that provide career biographies of fifty German Austrian and Swiss German writers most of whom had their first significant work published or performed after World War I each with a list of principal works and a bibliography Includes a cumulative index **Studies in German Literature in Honor of Alexander Rudolph Hohlfeld**, 1925 *A History of Nihilism in the Nineteenth Century* Jon Stewart, 2023-03-30 Nihilism the belief that life is meaningless is frequently associated with twentieth century movements such as existentialism postmodernism and Dadaism and thought to result from the shocking experiences of the two World Wars and the Holocaust In his rich and expansive new book Jon Stewart shows that nihilism s beginnings in fact go back much further to the first half of the nineteenth century He argues that the true origin of modern nihilism was the rapid development of Enlightenment science which established a secular worldview This radically diminished the importance of human beings so that in the vastness of space and time individuals now seemed completely insignificant within the universe The author s panoramic exploration of how nihilism developed not only in philosophy but also in religion poetry and literature shows what an urgent topic it was for thinkers of all kinds and how it has continued powerfully to shape intellectual debates ever since General Catalogue of the Books Except Fiction, French, and German, in the Public Library of Detroit, Mich Detroit Public Library, 1899 **Lu Xun and Russia** Sun Yu, 2024-10-23 Based on Lu Xun s works and book collections this book explores the significant influence of Russian literature art and thinking on Lu Xun s thoughts and works Through the analysis of rich historical materials and literary texts this book shows the profound influence of Russian literary and artistic resources on Chinese writers especially on Lu Xun It delves into Lu Xun s literary and translation concepts as well as his intellectual and aesthetic views all of which bear the imprint of Russian culture The author closely examines notable themes in his works including nationality class the avant garde and cosmopolitanism which offer insight into his overarching historical vision and provide a glimpse into the era Unlike previous studies of the influence of Russian literature this book delves deeper into literary history by examining intellectual history without adhering to a pan ideological point of view Through the lens of cultural history it also illuminates the cultural landscape of modern China unraveling the intellectual ideas and debates of the twentieth century and the emergence of Chinese left wing literature The title will appeal to scholars students and general readers interested in Lu Xun studies modern Chinese literature and Chinese

Sebald* ,2016-08-09 This volume presents the work of internationally renowned scholars from Australia Germany Italy South Africa the UK and the US The focus on W G Sebald s writing as that of an expatriate author offers a fresh and productive approach to Sebald scholarship In one way or another all 28 essays in this innovative bi lingual collection take up the notion of Sebald s experience as an expatriate writer be it in the analysis of intertextual transmedial and generic border crossings on the exposure to the other and the experience of alterity on the question of identity construction and performance on affinities with other expatriate writers on the recurring topics of home exile dislocation and migration or on the continuing work of memory to work through and to preserve the consciousness of a destructive past that has informed the childhood as much as the adult life world of the author German Composition Based on Humorous Stories Carla Wenckebach,1899 **National Union Catalog** ,1980 Includes entries for maps and atlases
