## The Baking Mistake

Sophie was a very creative baker. She loved to make cakes and other delicious treats for her family. One day, she decided to try something new: a giant cake with lots of layers!

Sophie carefully followed the recipe but made one big mistake - she misunderstood it. Instead of adding 4 eggs, like the recipe said, Sophie added fourteen! When she realized her mistake, it was too late. The cake was already in the oven and was baking.

When it came out of the oven, everyone could see that Sophie's misstep had caused some serious problems. The cake looked misshapen and lopsided; its many layers were mismatched in size and color! It was a mess!

The worst part of all though? When they cut into the cake, nobody wanted to eat it because there were so many raw eggs inside from Sophie's misunderstanding. Everyone laughed at her mishap- but thankfully they still appreciated her effort in trying something new!
