Small Arms & Human Security Research Manasseh Wepundi, 2010 *The Teacher's Guide to Winning Grants* David G. Bauer, 1999 Smart teachers know that increased school budgets and taxes do not always lead to better educational programs and services Classrooms are often the last to receive any additional funding As classroom leaders and innovators teachers are increasingly seeking grants to help finance classroom improvements or school reform mandates The process of winning grants however is a time consuming and competitive venture The challenge is even greater when teachers do not have their own grant seeking processes in place This step by step primer takes the guesswork out of grant seeking It shows teachers how to select the right funding sources organize proposal ideas write a convincing and well prepared proposal identify who will evaluate the proposal and the scoring system they will use and efficiently implement the proposal when the grant funds are won Based on time proven techniques and useful strategies The Teacher's Guide to Winning Grants reveals how teachers can obtain the inside information they need to increase their chances of grant success With this knowledge teachers can develop effective grant seeking methods that will enable them to secure funds and move their schools in the direction they want
