Signal App Dr. Timothy Zahar, 2021-01-17 How do you feel How do you feel when Twitter Facebook Snapchat turn off the US President Donald Trump's account permanently I understand that some of you are supportive some are not interested and the rest many people feel outraged and angry What are they doing with the President of the United States The man who truly kept his promise Make America great again We resent not only because that is how to behave in the style of imposing gagging It is because that act seriously violates the freedom we worship in the West And that is the reason why social networks exist But they broke their promise patted themselves on the face They have exceeded their own limits They engage in politics expressing their likes and dislikes not in a neutral position The behavior of social media platforms must comply with the laws and legal frameworks set by the legislators not the political views of the company executives Obviously when these tech giants shake hands together they will manipulate everything and we will be manipulated It was Facebook and Twitter that controlled navigated and manipulated

the news surrounding the 2020 US presidential election All the above shares each of us see existence before our eyes But what s behind all of the above Why did those big techs do that The answer is Rights To Private Personal Information On Internet We are being watched every moment We have been violated personal privacy when participating in platforms Facebook Twitter They have collected the maximum of all the data about us Sometimes I still tell my friends Facebook knows you better than you do So is there a way for us to escape their influence and manipulation Yes We have 2 options Or not join any social networking platform This is difficult today because our work is tied to social connections Or we choose a social networking platform that is committed to respecting our privacy And don t just end up with commitments they need to give us the tools to proactively establish their own security And luckily for you and me there are platforms now that meet these criteria That is Singal A security proven messaging app by tech giants like Elon Musk Or even the CEO of Twitter Jack Dorsey also publicly uses and encourages people to use Signal What do you learn more from reading this book 1 I will show you 7 powerful reasons why you should immediately quit WhatsApp Facebook Messenger and switch to Signal immediately And not only that you will also encourage your friends and colleagues to do the same I commit to this 2 I will show you how to install Signal and set up the perfect features to help you keep your personal information secure on the Internet So that we will not be under surveillance control and navigate I will write about personal security on the Internet in the simplest most popular way that a 7 year old can understand and share with everyone Now let us get started the journey of finding real freedom on social media platforms Dr Timothy Zahar *Facebook All-in-One For Dummies* Jamie Crager, Scott Ayres, Melanie Nelson, Daniel Herndon, Jesse Stay, 2014-04-28 The A to Z Facebook guide for users marketers and developers alike Facebook has more than a billion users worldwide Whether you enjoy spending time on Facebook every day use it to advertise and market your product or develop Facebook apps this go to guide has something you need Its six minibooks cover creating a personal timeline connecting with others connecting Facebook to other social media building a fan page marketing a business on Facebook and developing Facebook apps It s fully updated to cover the latest Facebook changes including Graph Search mobile apps Timeline enhancements and news feed redesign Facebook has more than one billion active users who share more than 30 billion pieces of content each month More than 37 million brands have Pages on Facebook This complete guide has been fully updated to cover Facebook s latest changes including Graph Search mobile apps for both users and Page managers a redesigned news feed and enhancements to the Timeline Minibooks cover creating a personal timeline connecting with others connecting Facebook to other social media building a fan page marketing a business on Facebook and developing Facebook apps Facebook All in One For Dummies 2nd Edition is packed with helpful information great ideas and ways to help you get even more out of Facebook **Mastering Messenger: The Ultimate Guide to Facebook's Messaging Platform** Navneet Singh, Outline for the Book Introduction Overview of Facebook Messenger The evolution of digital communication and Messenger s role in it Why Messenger is an essential tool for personal and business
