Factory Production Control (FPC) Certification

Certification

## Factory Production Control (FPC) Certification for structural steel or aluminium construction components according to EN 1090-1.

Starting from 1 July 2014 you will be required to comply with specific legal obligations, applying to all steel and aluminium construction products you market.

The legal requirements for steel or aluminium construction components are governed by the European Regulation EU 305/2011 laying down harmonised conditions for the marketing of construction products and the harmonised standards from the EN 1090 series (Eurocode).
