It is compulsory to adhere to the following standard method in marking answer scripts and entering marks into the mark sheets.

1. All assistant examiners must use a red colour ball point pen for marking answer scripts.
2. Chief Examiner must use a mauve colour pen.
3. Note down Examiner's Code Number and initials on the front page of each answer script. The digits must be written clearly when marks are indicated.
4. Write off any numerals written wrong with a clear single line and authenticate the alterations with Examiner's signature.
5. Write down marks of each subsection of each question in a \triangle as a rational number and write down the final marks of each question as a rational number in a \square . Use the column assigned for examiners to write down marks.
6. The arithmetic checker (EMF) must use a blue or black pen to indicate the checking.

Example:

	Question No. 03		
(i)	✓	\triangle $\frac{4}{5}$
(ii)	✓	\triangle $\frac{3}{5}$
(iii)	✓	\triangle $\frac{3}{5}$
03	Total	→	\square $\frac{10}{15}$

Structured essay type and essay type answer scripts:

1. Cross off any pages left blank by candidates. Underline wrong or unsuitable answers and mark them as wrong. Show areas where marks can be offered with check marks.
2. Use the right margin of the overland paper to write down the marks.
3. Write down the marks given for each question against the question number in the relevant cage on the front page in two digits. Selection of questions should be in accordance with the instructions given in the question paper. Mark all answers and transfer the marks to the front page. Write off answers with lower marks if extra questions have been answered against instructions.
4. Add the total carefully and write it in the relevant cage on the front page. Turn pages of answer script and add all the marks given for all answers again. Check whether that total tallies with the total marks written on the front page.
