Dear Simba

Did you know that the first Saturday of December is the National Tree Planting Day? I would like to tell you about the activities that took place at our school last year on that particular day.

The villagers, school children and invited guests gathered at our school on that day. The guest of honour was the Minister of Tourism. All preparations had been done in advance. The senior classes had planted over a hundred seedlings of different indigenous and exotic trees. The holes for planting had already been in advance.

The guest of honour first gave a speech on the importance of trees and maintaining the environment. I learnt that trees help to control global warming. After the speech, some pupils sang songs and recited poems. Afterwards, the Headmaster led the people to the area where the trees were to be planted. The Minister planted the first tree, followed by people chosen from the community and school.

Later in the day, the councilor gave a vote of thanks and then food was served.

Regards to your family

Yours

Noah
