

**THIS WINTER COMING – Karen Press**

**Summary of the Poem**

**Stanza 1:**

- The fear is brought by the fact that 'winter' brings thick rain, (not a drizzle).
- This indicates the harsh times ahead because of the State of Emergency. In this stanza.
- The weather condition is used to create the mood for the impending danger in the poem.

**Stanza 2:**

- Shift from land to sea.
- There is impending danger.
- No place is safe.
- There are hints again at the fear in everyone.

**Stanza 3:**

- Here, there is a shift from the natural elements to the people (the actual subjects of the poem).
- The misery of the people (women and the children) is made explicit.

**Stanza 4:**

- Focus turns to the men.
- These men are meant to be the providers for their families.
- They are presented as ghosts of their former selves.
- The poet also creates a contradiction between the haves and have-nots.

**Stanza 5:**

- The children, despite being 'thin' (fragile/vulnerable) are not scared of the 'rain'.
- They are confronting it.
- They are going to see to the sky finally collapsing under centuries of rain.
- The children are going to defeat the Apartheid regime which had dominated them and subjected them to suffering for so many centuries.

# Grade 10 Poem Analysis
