Q.1 Read the following passage carefully and answer the question that follow:

Sarus is the largest bird found in India. It is as tall as an average sized person. It is also the biggest flying bird in the world. Sarus usually move about pairs. When they are with the young ones; they may be seen in groups of three to four. In summer, four or five of them may group together, especially near water bodies'.

The featherless head of the Sarus is ash coloured. The upper portion of the neck is red. The legs are pink and the beak is coloured slightly with green. The rest of the body is grey. The neck, legs and beak are long. When the wings are closed, their feathers hang over the tail. The male and female Sarus are alike. Sarus is one of the few birds in India which tradition does not allow to be killed. 1x6
