Human Relations Vivian Hamilton, Vivian McCann, 2007 Relationships are the very foundation of our lives Whether personal or professional our ability to understand and communicate effectively with the people in our lives can make the difference between a satisfying fulfilling life and one filled with tension and frustration With this in mind it is surprising that so few of us take the time to critically examine the makeup and workings of these connections This text examines human relations by integrating key components of successful relationships internal influences on thoughts feelings and behaviors external or sociocultural influences and communication principles and skill building These main features help drive students towards better understanding and more effective communication within all of their relationships [Revel for Human Relations Access Card](#) Vivian McCann, 2016-08-01 **Revel for Human Relations Access Card** Vivian McCann, 2018-08-03
