Marcus, Timothy J. Hargrave, 2019-12-19 *Managing Business Ethics Making Ethical Decisions* teaches students how to navigate ethical issues they will encounter using the weight of reasons approach applied throughout the book This decision making framework s goal is not to faithfully apply particular philosophical perspectives on what is right but rather to solve ethical problems The authors underscore the need for employees at all levels to carefully consider the ethical implications of their actions using this approach and it can be applied at the individual organizational and stakeholder levels Chapters provide a case to walk through application of the framework and mini cases allow students to practice applying this framework on their own A wide range of real world case studies are presented featuring companies such as Facebook Google Wells Fargo Volkswagen and Amazon This practical down to earth text also delves into topics not covered extensively by other books such as slow and fast thinking the inherent conflict between the individual and organization conformity and the difficulties of speaking truth to power Students are offered ample opportunity to engage in thoughtful reflection discussion and application as they grapple with ethical issues big and small Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test
