Instinct Phone Guide:

The Job-Hunter's Survival Guide Richard N. Bolles,2012-04-04 One hundred pages of lifesaving advice for people out of work When over ten million people have needed help with their job hunt or with figuring out what to do with their life there is one person they have turned to more than any other He is Richard N Bolles author of the 1 job hunting book of all time What Color Is Your Parachute His name is well known around the world Just during the last twelve months he has appeared in Time 10 Ideas Changing the World Right Now March 2009 U S News World Report deemed savior of the nation s unemployed October 2008 NBC s Today Show broadcast in April 2009 and many other publications and shows His book was the 1 best seller on BusinessWeek s paperback list as recently as last November Never has his advice been more sought than during these brutal economic times He has responded by writing a completely new book The Job Hunter s Survival Guide designed particularly for people who are hanging on the ropes who haven t time to do a lot of reading but need help desperately and now Early reviews have called this little Guide brilliant and tremendously helpful

The Safe Child Book Sherryll Kraizer,2012-05-08 It s the most urgent and highly publicized issue facing America s family how to teach our children to protect themselves in any situation Based on the author s successful education workshop which has been in operation since 1969 and has educated more than 50 000 parents and children nationwide The Safe Child Book gives parents effective and nonthreatening techniques for teaching children how to protect themselves without making them afraid Written by one of the few nationally recognized authorities on the subject The Safe Child Book provides a comprehensive educational program covering a wide range of topics that concern parents today including sexual abuse abduction leaving children alone surfing the Internet school safety and choosing a daycare center or babysitter

The Patient's Guide to Preventing Medical Errors Karin J. Berntsen,2004-10-30 A nation watched in horror as 17 year old Jessica Santillian died needlessly after a heart lung transplant in 2003 She had been given organs with the wrong blood type That error killed her It is just one among tens of thousands of less publicized errors that occur in U S hospitals each year Author Karin Berntsen a veteran of the hospital and health care industry takes us through the headlines and the events never publicized into hospital wards and surgical rooms to see how errors are made causing disability or death She gives graphic examples of actual events that illustrate the problems cited in a federal Institute of Medicine report showing medical errors in the hospital cause 44 000 to 98 000 deaths each year Those errors include medication mistakes wrong site or side surgery and botched transfusions Berntsen explains why these are not just human errors with one or two people responsible they are systems failures that require a major culture change to remedy And that change she argues may not come without action by the very people the medical system is designed to help patients She offers clear actions consumers can take to assure they are not on the receiving end of a medical error The book details over 200 tips for improving patient safety U S hospitals have countless stories of miraculous healing and recovery the greatest technology most advanced medicines and best research in the world

On the other hand we have a system where medical errors bring more than 120 fatalities each day across the country in hospitals An airline crash causing that many deaths daily would paralyze that industry But because the deaths and harm are diluted across and deep within the silence of hospitals it is easier to be complacent There is says Berntsen an urgent need to pause and take inventory a need for clinicians and consumers to come together as partners for change *The Everything Groom Book* Shelly Hagen,2010-02-18 Enjoy a stress free wedding and discover all that is required of a groom on the big day with *The Everything Groom Book* Without question you love your bride to be and want to spend the rest of your life with her Ever since you popped the question however she seemed somewhat different more anxious more neurotic and more fixated on the little things like flowers bridal registry china and why the bridesmaids hate their dresses Before you head for the back door take a deep breath help is on the way *The Everything Groom Book* is here to help you keep your sanity while your fiancé loses hers Get no nonsense advice on how to Handle the emotional roller coaster Choose a wedding location and date Narrow down the guest list Know when to give your opinion and when to hold back Smooth over disagreements From timing the engagement to enjoying your honeymoon *The Everything Groom Book* is your ticket to a hassle free wedding **United Farmers' Guide** ,1927 **Guide to Life After 50, 60, 70 & Beyond for Dummies** Dummies Press,Dummies Press Staff,2004 The fun and easy way to live life after 50 Filled with smart tips and secrets custom made for you This book covers virtually everything from health to money travel and more *The Literary Guide and Rationalist Review* ,1925 Utah: N.E.A.
