The EU and the Non-Proliferation of Nuclear Weapons S. Blavoukos,D. Bourantonis,C. Portela,2015-01-20 Much of the literature on the emerging role of the EU as a non proliferation actor has only a minimal engagement with theory This collection aims to rectify this by placing the role of the EU in the non proliferation of nuclear weapons within an analytical framework inspired by emerging literature on the performance of international organisations

Federal Register ,2014 *The Palgrave Handbook of the European Administrative System* M. Bauer,J. Trondal,2015-01-28 Drawing on research from the administrative sciences and using organizational institutional and decision making theories this volume examines the emerging bureaucratic framework of the EU and highlights that analyzing the patterns and dynamics of the EU s administrative capacities is essential to understand how it shapes European public policy

In Praise of American Educators Richard DuFour,2015-07-20 Explore the state of education today In this thought provoking book the author presents a compelling case for why contemporary American educators are the greatest generation in history He carefully explains why current national reform policies have failed and presents specific steps policymakers administrators and teachers must take to transform American schools to meet student needs in the 21st century

Region-Making and Cross-Border Cooperation Elisabetta Nadalutti,Otto Kallscheuer,2017-12-15 This book explores the nature of regions and how they function particularly at the local and micro level Whilst recent years have seen a resurgence in debates around the roles which regions can play in development the focus has tended to be on macro regional institutions such as the EU ASEAN ECOWAS or MERCOSUR In contrast this book offers a nuanced analysis of the important field of sub regionalism and sub national cross border cooperation Region Making and Cross Border Cooperation takes a fresh look at both theoretical and empirical approaches to region making through cooperation activities at the micro level across national borders in Europe Southeast Asia Latin America Africa and the Middle East The book aims to explore the role that institutional dynamics play at the micro level in shaping local and global ties investigate what the formal and informal integration factors are that bolster regionalism and regionalization processes and to clarify to what extent and under what conditions cooperation at the micro level can be instrumental to solving common problems Scholars and students within politics sociology geography and economics would find this book an important guide to regionalism at a micro local level perspective

But Will It Fly? Iver P. Cooper,2025-09-17 Conventional aircraft today are propelled by the action of propellers or jets and powered by the internal combustion of petroleum fuels in piston turboprop or jet engines But other power sources powerplants and propulsion devices for airships as well as aircraft have been proposed and even

experimented with over the last few centuries The power sources considered include human muscles steam batteries nuclear reactors and hydrogen fuel and the propulsion devices include sails oars flapping wings rockets and cycloidal propellers This meticulously researched book presents the history of these unconventional aerial power and propulsion systems explains the underlying science and technology behind them and assesses the crucial question of practicality
