

Corset Workshop

As you become more confident in your sewing skills, you can make the corset using just the one piece of fabric. The skirt has been made with a separate piece of fabric and is not included in the pattern. The skirt is made to be gathered at the top and to have a long, full skirt.

We took the paper pattern, and then we made up the bodice of the corset. We used a piece of fabric and then attached the lacing. Adding cardboard lining to the bodice helps to strengthen the corset and give it more support. It is also used to help the bodice to keep its shape.

Some tutorials will have you use a lot of paper in the bodice and under the skirt. However, we have made great use of paper in our design and construction.

As you progress in the workshop and construction of the corset, you will see that the use of paper is a very important part of the construction and the construction of the corset.

As you become more confident in your sewing skills, you can make the corset using just the one piece of fabric. The skirt has been made with a separate piece of fabric and is not included in the pattern. The skirt is made to be gathered at the top and to have a long, full skirt.
