

- (4) The ropeway decision follows from the realisation that some of public transport solutions that work well in the plains, such as Bus Rapid Transit (BRT), monorail and metro, are not feasible in the hills due to geographical and geotechnical limitations. Hence the Himachal Pradesh Government has sent a proposal to the New Development Bank (NDB) for bilateral funding of the ropeway project.
- (5) The Centre's Department of Economic Affairs recently gave in-principle approval for the ropeway project that would start from Taradevi and have infrastructure like smart parking, lifts and escalators to integrate it with the existing transport networks.
- (6) The ropeway fare would also be more or less at par with conventional transportation to encourage local residents to use it rather than their private vehicles. The fare for journeys of up to 10 km would be ₹ 50.
- (7) This project will benefit the public in the real sense. Besides saving travel time, it would also be beneficial from the environmental point of view.
- (8) The almost 15 km long ropeway is likely to be built in five years, and it will reduce transport emissions in the city. The improved air quality will also have a positive impact on people's health.

Based on your understanding of the passage, answer any *four* out of the five questions given below :
