The Art of Translation in Light of Bakhtin's Re-accentuation Slav Gratchev, Margarita Marinova, 2022-10-06 Although Mikhail Bakhtin's study of the novel does not focus in any systematic way on the role that translation plays in the processes of novelistic creation and dissemination when he does broach the topic he grants translation a disproportionately significant role in the emergence and constitution of literature. The contributors to this volume from the US Hong Kong Finland Japan Spain Italy Bangladesh and Belgium bring their own polyphonic experiences with the theory and practice of translation to the discussion of Bakhtin's ideas about this topic in order to illuminate their relevance to translation studies today. Broadly stated the essays examine the art of translation as an exercise in a cultural re-accentuation a transferal of the original text and its characters to the novel soil of a different language and culture which inevitably leads to the proliferation of multivalent meanings and to explore the various re-accentuation devices employed over the span of the last 100 years in translating modern texts from one language to another. Through its contributors *The Art of Translation in Light of Bakhtin's Re-accentuation* brings together different cultural contexts and disciplines such as literature literary theory the visual arts pedagogy translation studies and philosophy to demonstrate the continued international relevance of Bakhtin's ideas to the study of creative practices broadly understood.

Berdyayev's Philosophy of Hope a Contribution to Marxist-Christian Dialogue, *Light of Hope* Robert Vaughan, 2013-06-25 There is a light that never goes out. Galen Scobey has lost hope. Since his wife's death seven years ago he has thrown himself completely into two things: taking care of his beloved young son and advancing his career. He has no time for love and no patience for holiday joy. But this Christmas Galen's job for a major oil corporation has led him to the remote town of Point Hope, Alaska. The picturesque land of snow-covered mountains and caribou is a painful reminder of the day he gave up his faith. The white tundra, unchanged and untouched by all but the native Eskimos for thousands of years, means a lot to schoolteacher Ellie Springer. Originally from Dallas, Ellie came to Alaska looking for adventure and recovery from her last romantic disaster. But when Galen arrives, Ellie finds herself siding with some of the local villagers in a fight to keep Galen and his oil company out of their majestic town. Though many obstacles stand in their way, Galen and Ellie cannot help but feel an attraction between them. But will their politics, their religion, and even the unforgiving winter weather keep them apart? Only a Christmas miracle can tell. In this uplifting tale of love, second chances, and above all things, hope. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
