William Tinsley (1831-1902): Speculative Publisher Peter Newbolt, 2019-01-15 This title was first published in 2001 An account of the activities of 19th century publisher William Tinsley particularly in relation to his authors and his chosen way of making a living In considering the library publishing system that dominated all aspects of fiction in the latter part of the 19th century when down payments rather than royalties were the rewards of novelists it may be surprising to find how wide were the variations in prices that publishers paid for such work Differences appeared when individual publishers developed soft spots for particular authors and in consequence they sometimes made fools of themselves William Tinsley certainly did so on several occasions but was blessed at least in later life with the grace of never seriously regretting any of his mistakes Examples of the nature of this good hearted man are found in these pages This account relies to an extent on Tinsley s two volumes of memoirs [Catalog of Copyright Entries](#) Library of Congress. Copyright Office, 1960

Medieval Self-Coronations Jaume Aurell, 2020-06-11 Based on narrative iconographical and liturgical sources this is the first systematic study to trace the story of the ritual of royal self coronations

from Ancient Persia to the present Exposing as myth the idea that Napoleon's act of self coronation in 1804 was the first extraordinary event to break the secular tradition of kings being crowned by bishops Jaume Aurell vividly demonstrates that self coronations were not as transgressive or unconventional as has been imagined Drawing on numerous examples of royal self coronations with a particular focus on European Kings of the Middle Ages including Frederic II of Germany 1229 Alphonse XI of Castile 1328 Peter IV of Aragon 1332 and Charles III of Navarra 1390 Aurell draws on history anthropology ritual studies liturgy and art history to explore royal self coronations as privileged sites at which the frontiers and limits between the temporal and spiritual politics and religion tradition and innovation are encountered Growing Income Inequalities J. Hellier, N. Chusseau, 2012-11-13 This book explores the widening gap between the wage packets of skilled and unskilled workers that has become a pressing issue for all states in the globalized world economy Comparing the experiences of more and less developed economies chapters analyse the underlying causes and key social changes that accompany income inequality Heralds of the King Marion Alphonse Habig, 1958 A Select Library of Nicene and Post-Nicene Fathers of the Christian Church Philip Schaff, Henry Wace, 1890 The Formation of Christendom: The formation of Christendom Thomas William Allies, 1897 **A Modern Instance** William Dean Howells, 1882 The Academy and Literature, 1902 The Athenaeum, 1897 Dictionary of National Biography Sir Leslie Stephen, Sir Sidney Lee, 1885 New Statesman, 1929 The Athenæum James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1897 The Speaker, 1904 **The Academy and Literature** Charles Edward Cutts Birch Appleton, Charles Edward Doble, James Sutherland Cotton, Charles Lewis Hind, William Teignmouth Shore, Alfred Bruce Douglas, Ellis Ashmead-Bartlett, Thomas William Hodgson Crosland, 1903 Cumulative Book Review Digest, 1916
