Predatory Lending and the Destruction of the African-American Dream Janis Sarra, Cheryl L. Wade, 2020-07-09
Since the Great Recession of 2008 the racial wealth gap between black and white Americans has continued to widen In
Predatory Lending and the Destruction of the African American Dream Janis Sarra and Cheryl Wade detail the reasons for
this failure by analyzing the economic exploitation of African Americans with a focus on predatory practices in the home
mortgage context They also examine the failure of reform and litigation efforts ostensibly aimed at addressing this form of
racial discrimination This research augmented by first hand narratives provides invaluable insight into the racial wealth gap
by vividly illustrating the predation that targets African American consumers and examining the intentionally obfuscating
settlement terms of cases brought by the U S Department of Justice states attorneys and municipalities The authors conclude
by offering structural systemic changes to address predatory practices This important work should be read by anyone
seeking to understand racial inequality in the United States
