Electronic Health Records Joel C. Willemsen, 2010-08 The Nat Defense Authorization Act for FY 2008 required the DoD and the VA to accelerate their exchange of health information and to develop capabilities that allow for interoperability the ability of systems to exchange data by Sept 30 2009 It also required compliance with federal standards and the establishment of a joint interagency program office to function as a single point of accountability for the effort This report determined the extent to which 1 DoD and VA developed and implemented electronic

health record systems or capabilities that allowed for full interoperability by Sept 30 2009 and 2 the interagency program office established by the act is functioning as a single point of accountability Charts and tables **Electronic Health Records U-turn** United States.
