The Field Guide for Small Group Leaders Sam O'Neal, 2023-06-06

The Field Guide for Small Group Leaders provides basic training and support to help small group leaders succeed in the critical mission of leading others toward spiritual growth and transformation. The premise of serving as a small group leader sounds simple: Invite people to join you in studying the Bible. But the real world implications of that role are incredibly complex. Today's small group leaders are asked to function as semi-experts in theology, psychology, evangelism, worship, apologetics, counseling, education, and nutrition, all in service to God and His church. Most of today's group leaders receive little or no training on how to carry out this important work. They are told to "Go and make disciples" then left to figure out the details on their own. Sam O'Neal, a small group leader himself, wrote *The Field Guide for Small Group Leaders* to help fellow leaders navigate this confusion and map out a plan for successful, transformational, and rewarding meetings. The Field Guide provides helpful information on Curriculum and planning, Learning styles, Icebreakers, and learning activities, Crafting discussion questions, Worship and prayer, What to do when things don't go as planned, and more. Whether you lead a small group, life group, or Sunday school class, this guide will give you confidence and practical tools for fostering meaningful connections, genuine community, and spiritual growth that so many are desperate for.

Professional Nursing Concepts Anita Ward Finkelman, 2013 takes a patient-centered, traditional approach to the topic of nursing education and professional development. This dynamic text engages students in recognizing the critical role that nurses play in health care delivery and focuses on the five core competencies for health professions as determined by the Institute of Medicine (IOM). The Marriage Counseling Workbook Emily Cook PhD, LCMFT, 2018-03-13 With exercises and examples from real life marriage counseling sessions, *The Marriage Counseling Workbook* will reconstruct how you and your spouse think about, communicate with, and show love for one another. Many people want stronger marriages, but few know how to create them. This dilemma is at the crux of Dr. Emily Cook's marriage counseling work. In her private practice, Dr. Cook helps couples pinpoint the cause of their troubles and recreate a deep, lasting connection. Whether you're newly married or have been married for years, *The Marriage Counseling Workbook* offers step-by-step marriage counseling exercises for learning to talk about the tough issues and build ongoing skills for healthy communication. *The Marriage Counseling Workbook* provides the tools and support you need to achieve a stronger, healthier marriage. In *The Marriage Counseling Workbook*, you will find descriptions of the most common marital challenges: communication, money, intimacy, anger, and conflict, offering insight into your own struggles. Real world questions and evaluations help you gain a deeper understanding of one another. An 8-step structure with exercises that will teach you to work through problems and find solutions. Marriage counseling requires a commitment to your relationship and to the marriage counseling itself. Like your very own marriage counseling specialist, *The Marriage Counseling Workbook* will be with you every step of the way as you commit to restoring the health and happiness of
