I Hate Everyone :

I Hate Everyone...Starting with Me Joan Rivers,2012-06-05 An entertaining rant The only thing missing is the sound of a drumroll and cymbals to feel as though one is sitting in a nightclub watching a live comedy marathon A raucous biting look at life Kirkus Reviews Nobody but nobody can hate like Joan Rivers It is a gift It is also shocking the things she makes us laugh at Joan Rivers is extraordinary but she s not for the easily offended or for anyone who gets offended at all People Joan Rivers comedienne actress jewelry monger and an award winning international star she can sneer in eight different languages lives by her own golden rule Do unto others before they do unto you and for God s sakes do it funny Her career in comedy may have begun with self loathing but after looking at the human decrepitude around her she figured Why stop here when there are so many other things to hate With all of her diverse experiences Joan has looked down at turned away from and thrown up over a lot of hateful things deplorable places and despicable people Thank God she took notes Here uncensored and uninhibited Joan says exactly what s on her mind And HER mind is a terrible thing to waste She proudly kicks the crap out of ugly children dating rituals funerals and lousy restaurants She nails First Ladies closet cases and hypocrites to the wall She shows no mercy towards doctors and feminists and even goes after Anne Frank and Stephen Hawking Joan lets everyone including herself have it in this one hundred percent honest and unabashedly hilarious love letter to the hater in all of us

Phantasmagoria David T Evans,2018-11-09 First published in 1999 this original and entertaining sociological study takes a comprehensive and critical view of opera as unique cultural artefact as loss making industry as institution with a museum culture and as consumed

commodity of rare distinction and elaborate ritual Specific chapters deal with opera within the contexts of musicological analysis auratic art and fetishized taste opera as business and as museum singers opera producers opera and audiences opera There is also a chapter on opera popular commercialised fragments of opera outside the opera house consumed by and through all manner of reproduced means CD video Three Tenors concerts film and TV soundtracks advertising jingles etc Despite the supposed popularisation and successful commercial exploitation of opera during the past decade or so this study concludes that opera remains an art form institution and ritual of relative inaccessibility and exclusiveness The commercial interest in and profitability of opera do not translate into new popular audiences in the opera house The increased dependency of opera companies on corporate funding in the face of retreating government subsidies may have brought a new elite audience into the expensive seats pandered to by the introduction of surtitles etc but the traditional elite has succeeded in closing down entry to opera in other select venues where opera continues to confirm and maintain their select identity and prestige of their life style
