| The narrator reflects that all medical events in her childhood seemed to occur during a winter . She recalls one specific incident of getting appendicitis at 11 p.m. during a blizzard and borrowing the neighbors' horses to take a carriage to the hospital. The doctor removes the narrator's appendix and she reflects that it seemed as though many people her age had to have this operation. It even seems like a rite of passage that gives her and her peers a temporary special status. She lies in recovery, not thinking of how her father will pay for the operation. | | | | | |
| The narrator returns to school after the recovery period. One day over the Easter holidays, her mother tells her that the doctor had taken out not only her appendix, but also a growth. The narrator reflects that, at the time, her mother never mentioned the possibility of cancer. The narrator compares this omission to that of the subject of sex, but draws the | | | | | |

| | | | | | The connection between stress and appendicitis highlights the importance and inevitability of stress in the story. On another note, the narrator's characterization of her operation as a rite of passage also suggests that the story will involve a coming-of-age journey. Additionally, the narrator's lack of thought about how her father will pay for the surgery establishes both the naivety of her youth and the relative poverty of her family. |
