

Dear English Teachers,

March, 2016

Last year our focus was on university entrance exam preparation and we prepared mock university exams and took them from the 12th grade students and teachers in Hovd. To help you prepare your 12th graders this year we have prepared TWO versions (A and B) of another mock exam based on the 2015 university entrance exam papers. This year, we are providing each school with a copy of the tests for you to use with your students yourselves. Our advice is to take these exams in 'test conditions' – no talking or phones, 80 minute time limit, using an answer sheet (the answer sheet can be downloaded from our website if you don't have one : english.zereg.net) and then analyze the results to find your students' weak points. The exams themselves are not on the website - if you would like a .docx file, please e-mail me at english@zereg.net and I'll attach a copy for you. Find a copy of the ANSWER KEYS below (Variation B on the back of this paper). If you find any mistakes on the tests, please tell me. Our advice is : take the exams yourself first and see if there are any questions you don't understand. Any questions, e-mail me – or come to professional development lessons in the American Center.

This year our focus is on listening. I have now finished correcting the tapescript mistakes in the 12th grade old English VIII text book and hope to record and make those listening files available to you soon. The new text books (English VI, VII, VIII and IX) all have listening files that came from UB – if you do not have the files, e-mail me and I will send them to you over the internet.

Wishing you much success,

Hazel and Bob
