

Grade 6 Novel Study Pick-Your-Own Project

Student: _____

1. Write a future letter

from one of the characters in the book to another character in the book.

For example: Write a letter from Jessie to Winnie.

2. For each chapter, write a 6-word summary. Choose your words carefully so they have maximum impact! Single words, phrases, and sentences are all ok. Make sure you capture the main idea of each chapter with your words. Use things like word clouds and visual poetry to make your ideas come to life.

3. Re-write the climax from the point of view of a different character- not the protagonist. It can be the antagonist, another major character, or even a minor character.

4. Create a new book jacket. Taking into consideration the important parts and themes of the novel, create a new book cover and summary for the back of the book.

5. Draw or re-create a major scene from the novel.

In your own vision and words, illustrate a scene from the novel. Provide a summary as to why you chose to recreate the scene in that particular way.

You can recreate the scene by drawing, digitally illustrating, using textiles or working with a group to act out a scene.

6. Create a movie trailer. Using what you know about the book, create a brief movie trailer that would make an audience want to see the movie based on the book. ***Please know that no extra class time will be given for multimedia production, so only choose this option if you have access to your own equipment at home.***

7. As a reporter, write an interview with one of the characters. Ask at least 10 thought provoking questions that the character will answer. Thought provoking questions should be open-ended, not "yes" or "no" answers.

8. Choose a character and create a prologue for them. Now that you know what has happened in the novel, provide a background story for this character to explain what happened prior to the novel.
