State Competition
Target Round
Problems 1-6-3

Name: _____
School: _____
County: _____

DO NOT WRITE UNTIL YOU ARE INSTRUCTED TO DO SO.

This packet of the competition consists of eight problems, which will be presented in pairs. There are two pairs of problems and two constructed-response problems with the solutions listed at the end of the packet. The first three problems are problems in the "series." The first pair of problems is similar to other parts of this contest. When students are not busy, the supervisor will begin working. This constructed-response structure of problems and solutions allow you to check on students' work before other work are done. An additional set of solutions, which are simplified or more concise, including explanations in the form of the constructed-response of the problems, is provided at the end of the packet. This is a good resource for students to study afterwards.
