4. Compare the members of the Party with the proles. What characterizes each group? How is each controlled? Why is the government less concerned about the proles?
5. Orwell is particularly interested in language as a means of controlling a people. Describe Newspeak, how it operates and how it would function to control thought. What about doublethink?
6. Explain the party slogan: "Who controls the past controls the future; who controls the present controls the past."
