*EMT-Paramedic Flashcard Book* Jeffrey Lindsey, 2013-01-01 REA's Interactive Flashcard books represent a novel approach that combines the merits of flash cards with the ease of using a book. One side of each page includes questions to be answered with space for writing in one's answers, a feature not usually found on flash cards. The flip side of the same page contains the correct answers, much as flash cards do. The EMT PARAMEDIC EXAM Interactive Flashcard book is fully indexed, making it easy to locate topics for study. Thanks to the book form, there is no need to look for and fish out appropriate questions from a box and put them back in the proper order, and there is no need to carry around a box of 1,000 or so flash cards. The book is easier to take along and carry.
