WHERE ANIMALS LIVE

Animals live in many places. They live in cities, on farms with families. They even live in the stories that we read. In the city, we see puppies walk on the sidewalk. Cows are grazing near trash cans. On the top of buildings, birds are building their nests. On farms, babies nap in the sun. We see ponies run on fields. Bunnies hop to their holes under trees. Animals feel safe when they live with their families. Some animals are pets that live in houses, and some animals live in nature all around the world.
