who built customized mufflers to quiet professional racing cars enough to participate in the very profitable street racing scene A few mobsters and their crooked policemen propositioned Holmes to weld a muffler for a gun a silencer Wanting to know the legality of such a project Holmes took their blueprints to lawyers whom he had once worked for as an investigator Holmes simply corrected the blueprints for his propositions but was not willing to actually build the silencers Not satisfied the mobsters and their policemen accused Holmes of siding with their enemies Consequently Holmes s home was firebombed on Halloween 1979 with him in it He was burned over 60 percent of his body and was hospitalized for several weeks One officer visited Holmes at the burn center and again asked about building silencers Again Holmes refused and was charged with burning down his own home for the insurance money Holmes started carrying a tape recorder and was able to get that officer and others offering money and making threats What we have here is a failure to communicate Holmes made the mistake of taking his recordings to the local FBI to no avail He later found out that The Mob had infiltrated the local FBI News of Holmes s recordings got out and certain forces decided that he needed to die A news report on television stated that Holmes was the head of three gangs armed and extremely dangerous A shoot on sight order was announced It was then out of desperation that he decided to fake his own death and disappear in 1980 A syringe and four vials of his own blood were used to convincingly splatter blood inside his abandoned car This led the FBI forensics team to conclude in 1980 that Holmes had been shot in his car and dragged away False identification allowed him to assume various jobs out of town for eight years until he was declared dead in 1988 He lived with his wife and daughter for another ten years and hid in a secret compartment when company came In October 2000 he became suspicious of his wife s phone conversation and bugged the telephone only to discover that she had a lover He confronted her with the recordings She apologized made love to him and then shot him several times as he slept She thought he was dead Holmes s brother dropped by for his daily visit and found Holmes shot and unconscious but alive Holmes had survived by plugging the bullet holes with his fingers At the hospital a high school classmate working as a nurse recognized him The masquerade was over but no charges were filed against Holmes due to the corruption in Youngstown at the time he disappeared The tapes he saved for twenty years were also a big help Subsequently seventy prosecutors judges lawyers lawmen and mobsters were jailed for a long time His wife claimed temporary insanity and was given a very light sentence She had secretly married her lover months ago and he was tired of Holmes sleeping with his new bride every night Holmes s book is a mix of The Fast and the Furious The Godfather and The Fugitive **The Ancient Times** ,1996 **Popular Mechanics** ,1993-08 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **River of Heaven** Lee Martin,2008-04-15 You have to know the rest of my story the part I can t yet bring myself to say A story of a boy I knew a long time ago and a brother I loved and then lost Past and present collide in Lee

Martin's highly anticipated novel of a man, his brother, and the dark secret that both connects and divides them. *Haunting and beautifully wrought*, *River of Heaven* weaves a story of love and loss, confession and redemption, and the mystery buried with a boy named Dewey Finn. On an April evening in 1955, Dewey died on the railroad tracks outside Mt. Gilead, Illinois, and the mystery of his death still confounds the people of this small town. *River of Heaven* begins some fifty years later and centers on the story of Dewey's boyhood friend Sam Brady, whose solitary adult life is much formed by what really went on in the days leading up to that evening at the tracks. It's a story he'd do anything to keep from telling, but when his brother Cal returns to Mt. Gilead after decades of self-exile, it threatens to come to the surface. A Pulitzer Prize finalist for *The Bright Forever*, Lee Martin masterfully conveys with a voice that is at once distinct and lyrical one man's struggle to come to terms with the outcome of his life. Powerful and captivating, *River of Heaven* is about the high cost of living a lie, the chains that bind us to our past, and the obligations we have to those we love.

What Caesar Did for My Salad Albert Jack, 2011-09-06 Did you know the term hot dog is believed to have been coined during a baseball game between the Yankees and the Giants in 1901? Calzones get their name from their less than glamorous looks; calzone means trouser leg or drooping sack in Italian; the word salary comes from Roman soldiers being paid their wages in salt; shrimp cocktail became popular in the 1920s as a safe way of having a cocktail during Prohibition; the Cobb salad was invented by Robert H. Cobb, founder of the Brown Derby restaurant chain, who threw the salad together for Sidney Grauman, owner of the Chinese Theatre in Hollywood, as a midnight snack based on ingredients in his refrigerator. In *What Caesar Did for My Salad*, historian Albert Jack offers a fascinating look at the unexpected stories, creators, and bizarre origins behind the world's most beloved dishes. Who was Margherita, for instance, and why was the world's most famous pizza named after her? Why do we call our favorite kinds of coffee espresso or cappuccino? Did medieval Turkish soldiers really invent the kebab by threading bits of meat on to their swords and balancing them on top of their campfires? What exactly does horseradish sauce have to do with our equine friends? From your morning eggs to America's favorite pies, fries, and martinis, you'll never look at your kitchen pantry or refrigerator in the same light again.
