to holiday while the country burned How Good is Scott Morrison shows his resolve and the redemption the government's response to the pandemic brought him Right now Scott Morrison seems unassailable and sure to win the next election but what exactly is his vision for Australia A pragmatist rather than an ideologue he is a deeply Pentecostal religious man but he doesn't wear his faith as a badge of honour So what does he really believe in When the history of this period is written Morrison will certainly be seen as an election winner but will he be viewed as having had the courage and vision to change Australia for the better or the worse
