isn't news that the DMV average knowledge test pass rate in the United States is a terrible 49%. However, some persons tend to depend on their state's driver's manual only for their exams and get to the DMV overconfident but unprepared. Don't allow this to happen to you; it can be different. It's my belief that people need to know what to expect on their DMV DL exam so as to prepare very well. Here comes a well-prepared question and answers study manual book that will increase your chances of passing and gives you the peace of mind so you will clear the official exam on your first attempt. This manual will give you every necessary help you will ever need to pass the DMV Exam irrespective of the part of the States you presently live in. However, without any exaggerations, I'm sure that if you can give in a little time to studying this manual, it would certainly serve as a standard guide towards ensuring that you pass your DMV with ease. Taking these practice permit tests will help you to get acquainted with the real test, thereby making your anticipated success in the exams a reality. With this manual, there is really no need to be afraid, as the questions contained in it are close enough to what you will see and be tested on in the real test. This test manual has different sections of what you will be tested on based on experience. And there are many questions and answers in it which will give you an in-depth knowledge as well as sufficient preparation for the real test. The questions cut across defensive driving, road signs, markings, and turnings. It also includes some questions on braking, steering techniques, and skid controls, and much more. As a matter of necessity, you are strongly advised to do well to repeat each test contained herein until you can achieve a consistent score of about 90% and above. In this book, you will learn the exact things that those people who pass on their first attempt always do.
