ON THE ROAD AGAIN, metaphorically speaking

The road is a metaphor for life, and it's a metaphor that's been used for centuries. It's a metaphor that's been used to describe the journey of a man, a woman, a child, or a nation. It's a metaphor that's been used to describe the path of a hero, a villain, or a saint. It's a metaphor that's been used to describe the way we live our lives, the way we think, and the way we feel.
