

## Interview Essay

In your literacy narrative, resume/cover letter, and narrative essay you have revealed a good deal about yourself. The interview essay will tell someone else's story—someone who is significantly older (at least fifteen years older) and who may also be from a different situation or culture than your own. Specifically, it will tell the story of how a significant experience—or set of experiences—has shaped the mature person s/he has become. By focusing on a significant experience, you will reveal your interviewee's path – toward an adult vocation, avocation, ethical stance, and/or world view – in a biographical interview essay.

The interview process will help you gather specific information about your interviewee's experience as well as his/her reflections concerning how that experience impacted his/her later life:

the aunt who survived the 1990 Plainfield tornado to become a meteorologist;

the priest who migrated from Durango, Mexico to Chicago as a toddler;

the high school soccer coach who survived cancer;

the third-generation ironworker who is considering a career change.

The success of *The Glass Castle*, now in its 183<sup>rd</sup> week on the *New York Times* bestseller list, is certainly in part due to the rich details Walls reveals about experiences that have shaped her adult personal and public identities. If we were able to interview Jeannette Walls, we might ask her how her educational experiences—early desert homeschooling, mentoring by Welch High School's Miss Jeannette Bivens, choosing Barnard rather than Bluefield State—impacted her eventual career as a journalist/memoirist. We might also gain valuable information using interviews to learn about how Walls's experiences informed her views concerning such topics as homelessness, child welfare, health care, substance abuse, sibling relationships, and social safety nets, among many others. (You might take a look at one of the many interviews with Walls available online, including 2007 conversations with CBS and The Colbert Report.)
