However, the book's contents are devoted towards educating a new soap maker and filling information for the seasoned one. *The Art and Craft of Handmade Soap* details the use of different soap making processes: pour and melt hot processes and cold processes, along with each process' strengths and weaknesses. Furthermore, the book also provides insider information on how to infuse handmade soaps with oils and essences, choosing ingredients for a rich, creamy lather, as well as expert tips on cutting, curing, and storing of handmade soaps. Providing straightforward, step-by-step instructions, required tools and equipment, and safety tips in making personal soaps, this book provides a comprehensive introduction for the uninitiated soap makers. Making your own soap affords you to choose your own ingredients, resulting to the kind of fragrance, lather, and feel with your own personal magic. Personal and handmade soap making is like being able to concoct your own bar of magical essence and fragrances, a true and one-of-a-kind luxury you do not get to experience from store-bought soaps. This book will help jumpstart your endeavor in weaving that kind of magic.
