## **Field Grey Philip Kerr:**

*Field Gray* Philip Kerr,2012-02-28 This Edgar Award nominated novel in Philip Kerr's New York Times bestselling Bernie Gunther series reveals the cynical hard-boiled detective's harrowing history as an unwilling SS officer in World War 2. During his eleven years working homicide in Berlin's Kripo, Bernie Gunther learned a thing or two about evil. Then he set himself up as a private detective until 1940 when Heydrich dragooned him into the SS's field gray uniform and the bloodbath that was the Eastern Front. Spanning twenty-five tumultuous years, *Field Gray* strides across the killing fields of Europe, landing Bernie in a divided Germany at the height of the Cold War, revealing a treacherous world where the ends justify the means and no one can be trusted.

Field Grey Philip Kerr,2011 It is 1954 and Bernie is in Cuba, tiring of his increasingly dangerous work spying on Meyer Lansky. Bernie acquires a boat and a beautiful companion and quits the island. But the US Navy has other ideas.

**Field Gray** Philip Kerr,2011 **Nazi Germany and the Holocaust in Historical Crime Fiction** Anthony Lake,2023-07-24 This is the first book-length academic study of the portrayal in contemporary historical crime fiction of Nazi Germany and the Holocaust and their legacies. It discusses novels written by five authors: David Downing, Philip Kerr, Luke McCallin, Joseph Kanon, and David Thomas. Their work belongs to a subgenre of the historical crime novel that has emerged since the late 1980s to become a significant body of writing located at the intersection of crime fiction and Holocaust literature. The readings of these novels explore questions of form and genre to ask how popular fiction might approach the Holocaust. Themes of resistance and complicity and the relationship between them and problems of guilt and responsibility are also discussed. This book also explores questions of justice to show how these novels explore social and moral justice and vengeance and revenge as alternatives to ordinary legal justice after the Holocaust.

**Contemporary European Crime Fiction** Monica Dall'Asta, Jacques Migozzi, Federico Pagello, Andrew Pepper,2023-04-20 This book represents the first extended consideration of contemporary crime fiction as a European phenomenon. Understanding crime fiction in its broadest sense as a transmedia practice and offering unique insights into this practice in specific European countries and as a genuinely transcontinental endeavour, this book argues that the distinctiveness of the form can be found in its related historical and political inquiries. It asks how the genre's excavation of Europe's history of violence and protest in the twentieth century is informed by contemporary political questions. It also considers how the genre's progressive reimagining of new identities forged at the crossroads of ethnicity, gender, and sexuality is offset by its bleaker assessment of the corrosive effects of entrenched social inequalities, political corruption, and state violence. The result is a rich, vibrant collection that shows how crime fiction can help us better understand the complex relationship between Europe's past, present, and future.
