Teaching Children about Figurative Language and More Habakkuk Educational Materials,2019-11-07 Teaching Children about Figurative Language and More was designed to familiarize students with various language terms and to help develop their skills as writers In less than 60 pages they will learn what constitutes a complete sentence will learn about plot structure and will become familiar with writing techniques that authors often incorporate into their writing such as imagery alliteration and assonance The four different types of sentences imperative declarative interrogative and exclamatory will also be studied and students will be able to differentiate

between sentences written in the first person second person and third person In addition easy to understand definitions examples and colorful illustrations are provided to familiarize students with the terms personification onomatopoeia simile metaphor hyperbole idiom irony oxymoron acronym antonym and synonym Moreover students will learn how to distinguish between the often confused words homonyms homophones homographs and heteronyms Note that the pages that teach these language terms also provide the correct pronunciation and that there is a pronunciation guide included in the book Besides the terms mentioned above students will learn when can should be used in a sentence in place of may and when I should be used in place of me Several reproducible worksheets and a practice test are also available for individual practice to assess student learning or for a teacher to use for direct instruction purposes on the classroom screen The practice test is included towards the end of the book and is also available online as a computer based test You can access the test free of charge by visiting the website of Habakkuk Educational Materials When the student feels confident or at the teacher s discretion there is also a computer based unit test they can take to test their comprehension over the book s content This book could be introduced to students as early as the first grade and used throughout elementary middle and high school Actual testing of the content could begin as early as the 3rd grade For more information or to contact Habakkuk Educational Materials please visit the business website at <https://www.habakkuk.net>
