

## A Rare Find

9 Maria and Todd discovered an old vinyl record while  
18 rummaging through a cabinet in the attic. “Thelma Louise  
29 Hopkins!” Maria cried. “I read about her in a magazine. This  
42 could be worth millions!” As it turned out, it was not worth quite  
54 that much, but it was an extremely rare recording, one of the  
few original Thelma Louise Hopkins recordings left.

61 Mr. Sanchez, an executive at an auction company, told the  
71 two that it could be worth thousands, so they should consider  
82 selling it. Todd was amenable, but Maria was not convinced, not  
93 until she found out more information about Thelma Louise  
102 Hopkins. At the library they listened to tapes of her  
112 songs, saw photographs of her that were decades old, and  
122 looked over a biography about the singer’s life and music. They  
133 also found an article on the Internet about what Thelma Louise  
144 had been doing recently. She was still employed occasionally as  
154 a performer because she needed the money. Although Thelma  
163 originally had been compensated well, she never owned the  
172 copyrights of her songs, which meant that while other people  
182 still profited from her original recordings, she never saw a penny  
193 of the tremendous wealth they made.

199 “That’s not fair!” Todd cried.

204 A few minutes later, Maria called Mr. Sanchez “We still want  
215 to auction off the record,” she told him, “but we want  
226 the proceeds to go to Thelma Louise Hopkins. Can you help us  
238 do that?”

240 “I sure can,” said Mr. Sanchez. Then he added, “You two  
251 are doing a commendable thing.” 256

1. What is the story mostly about?
2. Why did Todd and Maria decide to give away the money?
