Religious and Theological Abstracts, 2001 *Loyola Educational Index*, 1928 **Canadian Books in Print. Author and Title Index**, 1975 **Church bells, ed. by J.E. Clarke** John Erskine Clarke, 1872 Religion in Australian Life Georgina Fitzpatrick, Michael C. Mason, 1982 **National Union Catalog, 1982**, 1983 National Union Catalog, 1983
Canadian Books in Print, 2001 **Mission Studies**, 1909 **New England Journal of Education**, 1877 **Power Through Weakness** Timothy B. Savage, 2004-12-02 Dr Savage seeks to understand the apostle Paul's apparently contradictory description of his ministry in 2 Corinthians as one in which power is manifested through weakness. When I am weak then I am strong. This paradox becomes intelligible when it is understood that Paul's critics were influenced by a perspective which was the exact opposite of his: they imbibed the self-exalting outlook of their contemporary world while he embraced the self-emptying gospel of Christ. Drawing from archaeological data on first-century Corinth, this study is unique in establishing both the secular underpinnings of Paul's paradoxical language and the devastating critique which that language offers on the general outlook of the first century. Paul emerges as a radical foil to the spirit of the age. **Religious Education Junior Certificate Examination Papers**, 2013 **Journal of Christian Education**, 2004 Jing Feng, 1980
Power and the Powers Andrew R. Hardy, Richard Whitehouse, Dan Yarnell, 2015-10-12 Missio Dei by its very nature requires the church to come to terms with the exercise of power both internally and externally as it confronts the world. Tune in to any newscast or glance at the daily newspaper and it immediately becomes clear that the use and abuse of power is a live issue. The more we focus on the twists and turns of current events the more it appears that uncorrupted exercise of power eludes the human race. All too often we become uneasily aware that there are powers lying behind the power that any of us wields whether it is in the family, the classroom, on the shop floor, in the boardroom or in churches. Effective missional leadership involves creative engagement with the powers at work in the world without being debased by them. This book sets out to address the issue of the use and misuse of power from biblical, theological and practical perspectives. The authors bring their theological, pastoral, missionary and personal experience to their task in order to inform, challenge and invite readers into a responsible use of the powers that God has put into the hands of each one of us to achieve his purposes in the world.
Journal of Career Education, 1975 **Public Opinion**, 1893 *Dear Miss Nightingale* Benjamin Jowett, 1987 When Florence Nightingale returned from the Crimean War, broken in health and requiring seclusion, she was befriended and attended to by prominent Oxford scholar Benjamin Jowett. *Dear Miss Nightingale* collects for the first time in a single volume his correspondence to her in which he offered constant encouragement and kept her in touch with the trends of the times and the social movements of London drawing rooms. More than a sensitive testament of an enduring friendship between two eminent Victorians, these letters offer insight into the subtleties of the social life of the period. *The Bookseller and the Stationery Trades' Journal*, 1890 Official organ of the book trade of the United Kingdom **The North-China Herald and**
