Miller,2004 Longtime Presbyterian layperson Dr Kent S Miller emeritus professor of psychology at the Florida State University Tallahassee who had spent much of his professional life focused on mental disability law and the relations between the mental health and the criminal justice systems decided to volunteer for a couple years in the Department of Children and Families in Florida to try to understand why they were getting such bad press This book is a result of this time spent with the Florida DCF and is an analysis of the current crisis in the child welfare scene based on the author s

involvement with a program that has been racked with the scandals of missing and murdered children If as Christians we are to care for the little ones and our neighbors then Dr Milller posits that we must address this concern immediately for we are sabotaging our nation s future by abandoning our at risk children to say nothing of incurring the wrath of our Lord who demonstrated a preferential option for children as well as for the poor West's Federal Practice Digest 4th ,1989 Staff Memorandum to Members of the Special Committee on Public Assistance Program Integrity ,2010 **An Audit of State of Wisconsin** Wisconsin.
