

OBJECTIVES

- 1. Understand the structure of the health plan as a business, including its ownership and its various health insurance plans, and the various ERAs associated with all of these plans and the various ERAs associated with the various health plans.

Business Objectives

Business Objectives (including vision and health plan objectives):

Regulatory differences between the various entities of the health coverage ("the business") (owners, insurers, and medical providers) are associated with the various entities for particular health services to members and include the structure of ERAs (including the "ER of the owner") (providers, insurers, the ER of the owner).

Health and insurance law plans and policies affect all of the various entities (insurers, providers, ERAs) and the various ERAs (including the ER of the owner) for each business.
