West's Federal Sentencing Guidelines Digest, 2002 **The Oxford Handbook of Sentencing** Professor of Sociology and Dean of Social and Behavioral Sciences Ryan D King, Ryan D. King, Michael T. Light, 2026-03-13 The Oxford Handbook of Sentencing explores one of the most consequential and contested decision points in the criminal justice system whether and how to punish those convicted of crimes During this period of political polarization declining trust in institutions and concerns about the treatment of immigrants in the United States and elsewhere longstanding sentencing practices are being questioned and reforms are afoot This volume examines how sentencing policies and practices have evolved and crucially where they might go next Drawing on the insights of leading scholars the Handbook situates contemporary sentencing within a broader historical and social context It traces the policies that gave rise to mass incarceration the shifting philosophies behind punishment and the consequences of punitive sentencing From the enduring legacies of the war on drugs to the rise of crimmigration and the lessons from COVID 19 s shock to the courts the volume looks at the forces that influence sentencing decisions and the policy levers available to reformers This volume also confronts the longstanding inequalities associated with sentencing practices including racial and citizenship based disparities It examines how decisions made at various stages of the criminal justice process from legislation to charging to parole contribute to disparities Some chapters identify opportunities for reform offering insights for a sentencing paradigm that balances crime control due process and equality

African Americans in Georgia Pearl K. Ford, 2010 Provides an understanding of the intersection of race and region while addressing contemporary issues such as the future of elementary and higher education the nature of health care disparities and voting and representation The research presented here reveals that race and class based problems remain and geography often is a contributing factor to those differences

Handbook on Sentencing Policies and Practices in the 21st Century Cassia Spohn, Pauline Brennan, 2019-06-14 Sentencing Policies and Practices in the 21st Century focuses on the evolution and consequences of sentencing policies and practices with sentencing broadly defined to include plea bargaining judicial and juror decision making and alternatives to incarceration including participation in problem solving courts This collection of essays and reports of original research explores how sentencing policies and practices both in the United States and internationally have evolved explores important issues raised by guideline and non guideline sentencing and provides an overview of recent research on plea bargaining in the United States Australia and the United Kingdom Other topics include the role of criminal history in sentencing the past and future of capital punishment strategies for reducing mass incarceration problem solving courts and restorative justice practices Each chapter summarizes what is known identifies the gaps in the research and discusses the theoretical empirical and policy implications of the research findings The volume is grounded in current knowledge about the specific topics but also presents new material that reflects the thinking of the leading minds in the field and that outlines a research agenda for the future This is Volume 4 of

the American Society of Criminology's Division on Corrections and Sentencing handbook series Previous volumes focused on risk assessment disparities in punishment and the consequences of punishment decisions The handbooks provide a comprehensive overview of these topics for scholars students practitioners and policymakers *Georgia Journal of International & Comparative Law* ,2004 **West's Federal Practice Digest 4th** ,2000 **Death Penalty** United States.
