Humans of New York Osmosis Jones,2016-12-17 HUMANS OF NEW YORK Stories Analysis plenty more portraits intimate accounts and thought provoking interviews were a result Stanton hadn t intended to change lives as he has In a recent interview with CBS

Stanton commented on what he set out to do my purpose in Humans of New York is not to tell the story of humanity it s to tell the story of the person right in front of me Stanton s premise simple there are people all over New York city living very different lives and have many different stories he just wants to validate them because for some New Yorkers their story is the only thing of value they own Although the portraits Stanton takes seem ordinary at first glance the stories and quotes that follow them lend the reader an intimate look into the subject s life Inspiring doesn t successfully describe the full impact of his work There are moments so intimate and near to these people that it s almost hard to believe they opened up to a complete stranger for a photo and a 20 minute interview Stanton is a firm believer that there is a difference between an interview and conversation Stanton s secret to getting people to reveal their secrets is to encourage conversation with no expectations Inside this Osmosis Jones Summary Summary of Each Chapter Highlights Key Points BONUS Free Report about The Tidiest and Messiest Places on Earth <http://sixfigureteen.com/messy> *Humans of New York* Brandon Stanton,2015
