

Sensory Interaction Journal

Our senses are constantly interacting to allow us to function on a daily basis. But have you ever taken a moment to reflect on exactly how they are interacting? Many of you actively participate in extra-curricular activities ranging from athletics to the arts. For this journal entry, you need to think of an extra-curricular activity that you participate in or one a friend does. Reflect on five (5) senses that are used. Please explain how each allows you or a friend to function during the task. Do not neglect to discuss the importance of perception with each sense! In addition, you need to provide two (2) separate examples of an interaction that might occur between at least two senses. Make sure to mention the relevance of bottom-up processing!

Here is an undeveloped example that needs much enhancement but you can use it to get the wheels turning!

"I have been a dancer since I was 4. This year for the spring recital I am one of the lead dancers. Dancing requires the constant use of vision, hearing, kinesthetic, vestibular, and skin senses. During the recital, my sight and vestibular sense interact because....." You get the idea!!!
