Wildland Fire Incident Management Field Guide NWCG,2014-06-06 The Wildland Fire Incident Management Field Guide is a revision of what used to be called the Fireline Handbook PMS 410 1 This guide has been renamed because over time the original purpose of the Fireline Handbook had been replaced by the Incident Response Pocket Guide PMS 461 As a result this new guide is aimed at a different audience and it was felt a new name was in order The Fire Chief's Handbook, 7th Edition Richard A. Marinucci,2015-04-17 The Fire Chief s Handbook 7th Edition continues Fire Engineering s 82 year tradition of publishing the definitive resource for advanced fire service training The text has been completely updated to meet the changing environment and added responsibilities of the fire service Returning authors have rewritten their chapter to address today s leadership and administrative concerns while new authors are also introduced to offer new perspectives This comprehensive guidebook is designed for firefighters company officers and chief officers of all ranks and department types who want the latest information on the fundamentals of leadership in the fire service as well as managing the day to day operations of a fire department Fire Command 1B California Fire Service Training and Education System,1983
