The Forbidden List David Grace,2009-09-17 More than sixty years ago revolutionary technology was seized from a Nazi slave labor laboratory in central Europe and consigned by the Government to the Forbidden List to be kept secret forever But forever is a long time Recently Deputy Assistant Secretary of Defense Daniel Rivers stumbled across the material and plotted to make a fortune from its release Rivers scheme was discovered and everyone relaxed when he was quietly silenced with a commitment to the Wheaton Fields Psychiatric Clinic Relaxed that is until it was discovered that a copy of the startling data was missing Now competing forces are plotting to recover the revolutionary discovery In the middle of this free for all is Dr Steven Westbrook the new Medical Director at the Wheaton Fields Hospital On Westbrook s second day as Medical Director he s confronted with Daniel Rivers murder which is soon followed by a puzzling series of events as the battle to find and exploit the missing technology becomes increasing more lethal and draws Westbrook ever deeper into its web

When a Black Man Loves Wine Zachary Marcus Cesare Harris,2025-04-01 This all basically started as a response to someone who was frustrated at certain repeating scenarios combined with the frustrations I see not only in the world of wine but the U S wine market specifically So what happens when you take an unapologetic Black guy from West Philly West Philadelphia born and raised with a diverse background whose been in many places and spaces that most folks would never imagine who falls in love with wine and learns it from a different perspective from how many are traditionally taught Throw him in a scenario where he then puts a wine deal together and sees both the lies and the truths and realizes he could do it

better he just needs the money Then set him on a course that would introduce him to thousands of wines and winemakers taking him to portfolio tastings trade shows and lunches hosted tours and B2B experiences from NY to DC in the United States as well as Italy Portugal and Spain making tons of friends and associates along the way And also uncovering more lies that most people never see That s one way of looking at what has transpired since I first had some wonderful wines that fateful Friday night in 2006 when I went into Panorama Restaurant for a glass of wine not knowing where that would lead me And before I had gotten the idea and inspiration to jump into the industry I could see so many issues within it and so many missed opportunities So these are my thoughts musings analysis critiques experiences and revelations If you want to know about my journey so far this is for you If you look like me and are considering jumping into the wine industry you want to read this one If you are trying to sell wines in the US market or are doing it and could be selling more give this a read You might agree you might disagree you might laugh and you might get pissed off at various parts of this book Honestly you should But let me tell you one very important thing I don t hold back and so you might come away with some different ways of looking at things that you might not have ever considered before

The Weekly Underwriter Alasco Delancey Brigham, Henry Rogers Hayden, 1925 [Twenty-Six Miles](#) Andrew Spencer, 2014-03-03 I got a big kick out of the persona the author adopted for the narrator protagonist Self deprecating and menacing at the same time and hilarious but in a very subtle way Reviewer Drawing inspiration from actual headlines *Twenty Six Miles* traces the life of Billy Faulkner a Vermont farmer s son who struggles to find his place in the world Running from one scam to another he sets out with his girlfriend Molly Richardson to start a new life on Nantucket But the demons from his past won t leave him alone and the elusive prospect of starting over seems doomed But Billy has a plan to get back on course if only Molly will be willing to go along with it It s a risky idea but if things go right it might just be the perfect way to start over one more time In *Twenty Six Miles* author Andrew Spencer weaves a tale that blends his own personal knowledge of the island s culture and history together with events based on a real life investigation The result is an intriguing story of mystery and revenge of fraud and double crossing A story in which nothing can be taken at face value Andrew Spencer the author of *Bear Trap* *The Fall of Bear Stearns* and *the Panic of 2008* and *Tower of Thieves* Inside *AIG s Corporate Culture of Greed* has been a summer resident of Nantucket for forty one years including ten years spent living on the island year round Today he lives with his wife Niki in Richmond Virginia and still enjoys spending summers on Nantucket

typically naive and misinformed Throughout its history to present day and beyond Canada has been and will continue to be home to criminals and crime organizations that are brilliant at finding ways to make money a lot of money illegally Iced The Story of Organized Crime in Canada is a remarkable parallel history to the one generally accepted and taught in our schools Organized crime has had a significant impact on the shaping of this country and the lives of its people The most violent and thuggish outlaw motorcycle gangs like Hells Angels have been raised to mythic proportions The families who owned distilleries during Prohibition such as the Bronfmans built vast fortunes that today are vested in corporate holdings The mafia in Montreal created and controlled the largest heroin and cocaine smuggling empire in the world feeding the insatiable appetite of our American neighbours Today gangs are laying waste the streets of Vancouver and BC bud flows into the U S as the marijuana of choice Organized crime is as old as this nation s founding with pirates ravaging the east coast even as hired guns by colonial governments Since our nation s earliest times government and crime groups have found that collusion can have its mutual benefits Comprehensive informative and entertaining as you will discover in the remarkable period pieces devised by the author and the illustrations commissioned specially for this book Iced is a romp across the nation and across the centuries In these pages you will meet crime groups that are at once sordid and inept yet resourceful entrepreneurs and self proclaimed champions of the underdog who operate in full sight of their communities and the law This is the definitive book on organized crime in Canada and a unique contribution to our understanding of Canadian history Death Before Decaf Caroline Fardig, 2015-11-17 USA TODAY BESTSELLER Caroline Fardig s captivating mystery novel takes readers behind the counter of a seemingly run of the mill coffeehouse where murder is brewing After her music career crashes and burns spectacularly Juliet Langley is forced to turn to the only other business she knows food service Unfortunately bad luck strikes yet again when her two timing fianc robs her blind and runs off with her best waitress Flushing what s left of her beloved caf down the toilet with her failed engagement Juliet packs up and moves back to her college stomping grounds in Nashville to manage an old friend s coffeehouse At first glance it seems as though nothing s changed at Java Jive What could possibly go wrong Only that the place is hemorrhaging money the staff is in open revolt and Juliet finds one unlucky employee dead in the dumpster out back before her first day is even over The corpse just so happens to belong to the cook who d locked horns with Juliet over the finer points of the health code Unimpressed with her management style the other disgruntled employees are only too eager to spill the beans about her fiery temper to the detective on the case Add to the mix a hunky stranger who s asking way too many questions and suddenly Juliet finds herself in some very hot water If she can t simmer down and sleuth her way to the real killer she s going to get burned Praise for Death Before Decaf I was hooked from the first page I loved it Dorothy Cannell award winning author of the Ellie Haskell mysteries Caroline Fardig brings a fun cast of characters to life in Death Before Decaf Juliet had me laughing smiling and rooting for her from the first page to the last I can t wait for more Gina LaManna author of Teased to Death Caroline Fardig keeps you turning pages in this fast paced

mystery set in a Nashville coffee shop Nancy J Parra author of Engaged in Murder With a fair share of twists turns and a murderer I did not suspect Fardig delivers a caffeinated romp and a promising start to the Java Jive mystery series Book Club Librarian A delightfully charming mystery with humor suspense and a cast of characters to die for Moonlight Rendezvous I can see this being a series to help bring a younger audience to the cozy mystery genre Musings and Ramblings Juliet s temper plus a good sense of humor make her a great series protagonist someone readers would actually like to befriend Mallory Heart Reviews This book had me hopping from murder to love interest and back to criminal activities Storeybook Reviews
