

## Grendel Study Guide Questions

**Directions:** Answer each question as you read through the book. Answer questions **while** you read each chapter grouping, **not after**. Use textual evidence to prove your answers. You may type your answers or record them neatly on a separate piece of paper.

### Chapter 1: Aries, the Ram.

Each chapter of the book is associated with the passing of time, as sign of the zodiac, and a heroic ideal. Chapter 1 opens with Grendel's furor directed at a horned ram (ARIES). The heroic ideal in this first chapter is the cycle of life. The time of year is spring.

1. What does Grendel's relationship with nature – the ram, the sky, the grass, the Doe, the baby bird, the owls, and the wolves – reveal about his own personality?
2. Quote the various phrases Grendel uses to describe himself. What do they reveal about his self-image and how it was developed?
3. What is the significance of this scene wherein Grendel challenges the "dark chasms"?
4. What does Grendel mean when he speaks of "playing cat and mouse with the universe"?
5. Describe Grendel's mother and his relationship with her.
6. From Grendel's point of view, what is man?
7. Which human does Grendel say he is forced to admire?

### Chapter 2: Taurus, the Bull

Taurus is the second zodiac sign (the bull), and the affiliated heroic ideal is caring love for living things.

1. In a flashback to his early childhood, what is Grendel's relationship with the "large old shapes" and with his mother?
2. What is the significance of the scene wherein Grendel catches his foot in the crack in the tree trunk and is attacked by the bull?
3. What does Grendel mean when he says "there was nothing, or, rather, there was everything, but my mother"? How is this a loss of innocence?
4. Explain what Grendel means when he says, "I create the whole universe, blink by blink."
5. How does Grendel's first meeting with men affect him? Why does he fear them more than he fears the bull?
6. How is Grendel's world view and self-concept affected by his experience with men? How does this event affect his relationship with the "old shapes" and his mother?
7. Explain the meaning of "the world is all pointless accident."

### Chapter 3: Gemini, the Twins.

Gemini is the zodiac sign, twins are the symbol, and the heroic value is poetry and art.

1. As a detached observer, what does Grendel learn about Hrothgar and his theories?
2. What shocks Grendel about man's behavior to other men and to nature?
3. Why does Grendel fear Hrothgar?
4. Why is Grendel so impressed and affected by the Shaper? Why does he also fear him?
5. According to Grendel, what is the truth about poetry?
