**Directions:** Read the letter from Peter the Great and summarize and analyze each section in your own words.

### Peter the Great

Dearest Kolya,

Just today I got word that the first treaty had been signed in Sweden. The war in the North is ended at last. As a result of the new lands we have won, Russia will have a new warm-water coast in the Baltic and port of Riga. This will help make Russia a great power among nations.

---

---

Do you remember when I wrote to you after the Battle of Poltava 12 years ago? How pleased I was that we were able to defeat the Swedes! That event marked a turning point in the war of the North. Now we have won the war, we have gained our "window on the west."

---

---

How different it is today from when I first became a czar! Russia was so backward then. We had few schools, no newspapers, and no ports that remained open in winter. There was little industry (business) of any kind. Few people knew what was happening in Europe, and only a few were allowed to come. Our geographic situation, our culture, and our religion had isolated us from the rest of the continent.

---

---

I reminded them of how I reorganized Russia's military. You'll recall that it started in 1699, when I was visiting Italy from Europe. Back at home, my army revolted, but I quickly put an end to that. I replaced unreliable (can not depend on) troops (groups of soldiers) with troops who were loyal to me, men I could count on. They have served me well.
